

## Staff Advisory Board

(Current bylaws)

The purpose of the Board shall be to enhance the functioning of the University of California, Santa Cruz, by promoting the interests and well-being of all staff employees as allowed by law and, in cooperation or coordination with the Office of the Chancellor, to support the mission of the University of California, Santa Cruz. This shall be accomplished by fostering respect and cooperation among all members of the UCSC community and promoting communication among staff, administration, faculty and students about university-related issues of mutual concern.

This purpose may be accomplished by the following:

- Provide a forum whereby staff employees at all job levels may discuss university-related issues of mutual concern;
- Make appropriate appointee recommendations of staff employees to various campuswide committees;
- Make recommendations on policies, procedures and issues for non-exclusively represented employees;
- Interview and make recommendations on management hires;
- Coordinate annual staff appreciation activities in conjunction with the Chancellor's office.
